PROGRAMMING IS HARD, THOUGH!

PROGRAMMING IS HARD

PROGRAMMING IS TECHNICAL

THE KNOWLEDGE GAP IS REAL

TECHNICAL DIFFERENCES

REACT

```
class Welcome extends React.Component {  
  render() {  
    return <h1>Hello, {this.props.name}</h1>;  
  }  
}
```

JAVA

```
public class MyClass {  
  static void myMethod() {  
    System.out.println("Hello World!");  
  }  
}
```
